Computer Based Packages:

Ani-MODS

This is a computer program from Careersoft in which 3D animated characters tell a story, with interactive tasks and a quiz for the user to complete. Each short module can be completed in about 15 minutes and introduces a topic to the student with curriculum suggestions and follow-up support materials.

www.careersoft.co.uk

Careerscape

It is produced by CASCAID and is aimed at clients aged 13 years and above. It offers detailed information on over 1800 career titles; over 90 career families. Careerscape also has 50 Subject Link articles; Real life case studies on over 390 careers; Over 60 articles covering education, training and employment; Salary and labour market information.

www.cascaid.co.uk

Fast Tomato

Fast Tomato is unique in that not only does it include the very latest careers and course information, but also the suggestions are tailored to an individual's interests, learning and social styles and expectations. This enables young people to use the personal insights and the relevant information to guide them to their future education and career pathways.

www.fasttomato.com

Higher Ideas

It is a comprehensive resource for exploring higher education options. Higher Ideas helps you explore:

- What higher education courses connect with my interests and school subject choices?
- What do those courses cover?
- What are my options?
- Where can I study?
- What qualifications might I need?
- How can I find out more?

www.careersoft.co.uk

JED (Job Explorer Database)

It is produced by Careersoft and is a new interactive, multimedia careers information resource. It includes over 800 jobs in depth, with over 6000 pictures and 250 video case studies of people at work.

Students with special needs and students at years 7 and 8 will find JED accessible and easy to use.

www.careersoft.co.uk

Kudos

It is produced by CASCAID and is a career matching program to help students (aged 13 to 20) develop career choices. It offers detailed information on over 1700 career titles; Over 3000 photographs of people at work; Salary and labour market information; A choice of CLCI or CRCI library index.

www.cascaid.co.uk

Local College Prospectus

(e.g. East Riding College, Franklin College, Hull College, York College.)

Connexions Booklets & Magazines:

It's Your Choice

'It's Your Choice' provides educational and careers guidance for Year 10 and 11 students. It sets out the main choices available to you - further education or moving into the world of training and work - with tips for finding out more, including quizzes. Copies can be ordered or downloaded from the Connexions Direct.

www.connexions-direct.com/itsyourchoice

Which Way Now?

'Which way now?' is designed as a workbook, which leads Year 9 students through all the stages of making their option choices at age 14. Most sections contain exercises called action points to help students relate the information to their own thoughts. Copies can be ordered or downloaded from the Connexions Direct.

www.connexions-direct.com/whichwaynow

Parents and Carers of Year 9 Students

This magazine includes all the information to help your teenager make subject choices in Year 9 and career and learning choices in Year 11. It also includes information about financial support post-16, higher education options, as well as personal development.

Copies can be ordered or downloaded from the Connexions Direct.

www.connexions-direct.com/parentcarer

i4u Action Planner

This is an interactive information and workbook, which guides Year 11 students through the process of selecting where they move on to and what course or training is most appropriate for them after GCSEs. Every Year 11 student in the Humber sub-region receives a free copy from Connexions Humber and it can either be worked through as part of the careers education programme in school or used independently.
